Jen's List Says:

Mosaic Hotel Unveiling After Multi-Million Dollar Renovation

Unveiling August 1st

Located in the heart of Beverly Hills, the luxury boutique offering is an intimate 49-room property, which is perfect for those seeking a unique design destination. With the hotels new interior design, guests will experience the combination of a European sensibility with a modern American style, which is rich and welcoming with an alluring look and feel, as envisioned by London-based design firm, Luxlo. Together with nearby sister hotel (the Kelly Wearstler-designed Maison 140), Mosaic Hotel is part of Gemstone Hotels & Resorts Beverly Hills portfolio. 20% off best available rates to locals and travelers alike.
